RCM REPORT: Kris L.

Hello Family,

I'm Kris and I am a grateful recovering addict. I attended the June RSC in Pensacola, FL. I arrived late Friday night after working half the day and driving down. I know I had originally planned on attending with Chris, but I had a scheduling conflict as well as an additional plan to room with a GSR from our area (GSR could not attend because of personal reasons). I am submitting receipts and a request for reimbursement for expenses which came from my own finances. I plan to reduce expenses by rooming with NAA's RCM at the next RSC, which should divided expenses in half. The total out of pocket expenses I incurred is \$285.39.

I will do the best I can to communicate with clarity the information that is most relevant to today's business. I understand totally that there is way more information then I am putting in my report. I will be trying to coordinate with Betsy the best way to make sure that anyone in our area has access to the RSC minutes. There is also much work being done by Kelly S. to our regional website that could potentially change (in a very good way) the vehicle used to access information and locate meetings....cutting edge stuff WOW!

Here are some highlights from the June RSC. I carried our vote for Kelly S. as Alternate Delegate for region. I am not sure how to explain this next part but here goes...There was a long discussion on how Reed H. from ECA's nomination was mishandled by the region. A very emotional and charged atmosphere ensued with good information based on facts and then some (not so much). The end result is through light of new information Kelly S. withdrew his nomination. The ECA's RCM contacted all the GSRs from that area (also Reed's area) and reached consensus to back Reed's nomination for AD. Reed H. showed up Sunday morning to accept his nomination AGAIN and state his qualifications AGAIN. We decided the level of disfunction and miscommunication that had taken place around this matter had reached a critical mass and decided since Reed H. was now the only nominee for the position of AD, to send him as AD pro-tem and send his nomination back to the areas for a vote. The next segment is what I typed which was originally going be personal notes about what took place.....

NTS-Michelle read the nomination and qualifications of REED and even though I was torn because my area specifically voted on Kelly for the position....However, given the fact that Kelly decided to take the high road and step aside for the potential position of vice chair for region making Reed the

only nominee, and he is well qualified to fill the position and the practicality factor is that this has taken too long/handled poorly and with misinformation and our region needs an AD. So I will have to respect the needs of the fellowship and do what my area expects is to follow traditions and concepts in filling our service structure with responsible leaders. So I participated in allowing Reed to be elected as AD protem for our region. Everyone was in full agreement that this could've all been handled differently but that the common sense and practical solution to this problem arose and we FORTUNATELY have been able to mysteriously retain the privilege of BOTH of these gentlemen in our regional service body.

I was writing this report before actually knowing if I would be voted in as RCM. My goal is to give more thorough reports, coordinate and work with the GSRs of our area to insure I am representing our area's voice. and bringing back to our area the other area's voices in our region by coordinating with as many RCM's of our region as I possibly can.

What our area needs to vote on

REED H. from EmeraldCoast Area for AD. Qualifications and letter from his area's chair are attached. There were questions asked of Reed's vision for the vision of world. An addict asked him what his side was of the struggle for AD over the last 9 months. Reed spoke that he did not seek out the nomination at anytime. He was asked to serve at the level of AD by other addicts. He felt that he had served the region at the WSC in a wonderful fashion and it should not have been pushed past the October region. He has been and is still willing to serve at this level. (GPANA submitted a proposal that REED H. be elected protem, so CAR business can be handled until the decisions come back from the areas at the September RSC. CONSENSUS reached)

To change prudent reserve from \$4000 to \$6000. Intent: To better fund regional business, including filling vacant positions in order to better carry the message.

All other information for now is in form of attachments.

IN LOVING SERVICE,

Kris L.

DAY TWO Sunday 06/30/2013

Traditions were read by Terry B Twelve Concepts were read by Rick Y. Purpose was read by Kelly S.

Date of day two: 06/30/2013

Start time day two: 9:21 a.m.

Open Forum: 1. FITS Treasurer said that she left here yesterday after the audit feeling attacked. She believes that she had asked what was wanted from the region and the answer was the region wanted a receipt with every expense report. She knows that she did that and her only responsibility was to make sure that the account was balanced. She asks that all standards and methods be used uniformly across the board without any prejudices. 2. NEANA felt good to be back on the regional floor. He is currently serving as RCM Pro Tem but is looking forward to being of service. 3. RSC Treasurer responded to the FITS Treasurer with apologies and said that there was no prejudice in anything with the audit. The FITS Treasurer should be getting ready for a 501 (C) (3) report that FITS is moving toward and the RSC Treasurer was trying to do that. 4. GBANA spoke about looking for solutions related to an RCM feeling like his area was circumvented here on the Regional floor and chances are that RCM will not be back here today. Everyone is equal here on the floor. 5. Chair spoke about principles before personalities, audits are keeping NA transparent and helping the addicts to feel involved. We are able to ask for help and an addict is always willing to help. 6. RD wants to thank the RCM's in the past year for all the help that they gave him and he is looking forward to the next year also. He is available by phone to anyone that needs help. He believes strongly in the inverted pyramid and that he is the lowest level of service on the Regional floor. Unsure of what to do but always willing to be of service. If he needs to give the region 3 months notice of what he is doing, then he needs some advance notice from areas of what is needed from him. Primary purpose is very important to him personally. 7. EAANA enjoys coming to Region to learn to disagree without being disagreeable. Also firmly agrees in the inverted pyramid and in the group being at the highest level of service. 8. FITS Chair says that the RCM is responsible for bringing the conscience of the group and transferring the information back and forth between the region and the addicts. The addicts should be able to tell the RCM's exactly what they want and need from the Region. We need to have a uniform paper or document that will tell addicts what they need and what they want regarding the money or what is needed from their region. We need to make sure that the addicts feel connected with the regional service body by being accessible, available, and visible. 9. CAANA spoke from a place of experience as treasurer of Surrender for 3 years. There was no personal attack from this body with FITS money. He was taught how to balance money and keep records from being of service to this fellowship.

NOMINATIONS MOVED TO SUNDAY TO ALLOW NOMINEES TO BRING THEIR QUALIFICATIONS.

1. Deborah M from CAANA for Alternate Secretary. Qualifications attached. There was discussion about Deborah's clean date and the decision was made to hold onto the nomination until September RSC so by then the clean time would be correct.

TABLED TILL SEPTEMBER RSC

2. Reed H from Emerald Coast for AD. Qualifications and letter from his area's Chair stating that there was a phone vote of all GSR's and they agreed to nominate him are attached. There were questions asked of Reed's vision for the vision of World. An addict asked him what his side was of the struggle for AD over the last 9 months. Reed spoke that he did not seek out the nomination at anytime. He was asked to serve at the level of AD by other addicts not to. He felt that he had served the region at the WSC in a wonderful fashion and it should not have been pushed past the October Region. He has been willing to be of service at this level. PI Report

7/14/13

Hello Family,

I'm Mike and I'm an addict, I would like to thank everyone for allowing me the opportunity to serve this area, as well as Narcotics Anonymous. June was a productive month for PI. The flyer day on June 22nd for the Anonymi, SOS and G.O.D. groups went really good, there was 16 addicts that participated and everyone involved expressed they enjoyed this service. It seems that 200 flyers wasn't enough flyers to cover all the intended locations and there was some discussion of a continuance in the near future. I would like to thank all those who participated and made the day a success. Kyndi W has notified me that Etowah County DHR is interested in a PI presentation, and I've ask Kyndi to maintain contact with the person she talk to and see about getting 3 dates to do this presentation. The phonline has been very active this month and I have attached a printout from phone.com showing the calls and length of calls. I received an email from Chris M giving a description of the calls he received this month, he won't be here today due to a service commitment in Mobile. I received a call on July 5th from a professional that was looking for open meetings in the Guntersville area, I gave her the info for Freedom Group and gave her the number for someone in the North Alabama area that could help her with meetings in that area. Chris M will be the male primary this month and Barbara S will be female primary. We need volunteers for secondary. PI was contemplating making contact with Marshall County in regards to doing a presentation there but we had some concerns whether or not we would have the manpower to carry H & I into their facilities at this time, so we have put this on the backburner for now. At the last ASC I ask for any suggestions in regards to following up with DeKalb County PI presentation and ways to cooperate with the court system, and hopefully we can continue with the positive relationship established with DeKalb County. Once again I want to thank everyone for their efforts in making this PI sub-committee strong in honoring our 5th Tradition.

In Loving Service,

pg. 1

Hello ASC,

In the last month we organized two carpools, one to S.O.S. where 6 members went, and a carpool to the Life Support group where 4 homegroups were represented there. We were ask to check out the life support group to see how we felt about them being on the meeting schedule. We did not do this. After talk with our Outreach chair and other members we feel that this is outside the bounds of what outreach can do.

We also facilitated a group inventory at freedom group, it was a success and it was a great experience. In the next month we will conduct two carpools CTC on July 24 and Freedom group on July 18. We will be doing a group inventory at acceptance group on Sept 14 at 11:00 am. We will be doing a group Booklet learning day at P.T.P. on Aug 3rd and we will also be going to the west Central Area to facilitate an Area learning day. Our outreach chair ask that anyone going to west central area get together to meet before we go to get on the same page with what were doing there. And I would like to ask the ASC, for 1 hour prior to next month ASC to work out the outreach guidelines.

Active Change

7/14/13 pg. 1

hello, I'm Nick and I'm an addict,

As always it is an honor and a privilege to serve NA, and to serve the Active Change group as CSR, ~~because~~ ~~the active change group makes this service position that much easier.~~ I am grateful to serve such a group that places the common welfare of the fellowship ahead of their own. As their actions, attitudes, and ideas have demonstrated throughout the month of June and hell all months of the year.

We are carrying a clear, consistent NA message to any who desires to hear it. We do our best to greet everyone, ~~and we do greet everyone who comes thru the door.~~ We greet each other as survivors of a shipwreck. Our format reflects an invitational, welcoming tone but yet protects the identity of the fellowship and the atmosphere of recovery! Our attendance, in its steady, status reflects the fruits of our recovery migs and our fidelity to the twelve traditions. Newcomers are coming and newcomers are staying. Our relations with outside enterprises are one of cooperation rather than affiliation and because of such we are thriving. It is evidence that God provides if we do what is asked without fear.

Now then, we brought in a whopping total of \$150⁰⁰ 7th tradition, and we had more than enough money to pay our rent, buy our literature, pay our basic expenses and still donate to the service structure.

Crossy E. will be celebrating 3yrs on July 28th at active change, and Charlotte speaks from Huntsville Arr Group, w/ Okay and we are good, very good with Tonya M as QSC, chair for the other 4 mos, or whatever. We are good with Kris L as RCM ~~and we are good with Tonya M as QSC~~. Tony O will make a fine lit chair as well.

For the PJ thing Active Change feels that the only solution we can apply is to ask the judge to stop requiring signatures for his clients and allow us to bring an H&I mtg to these people at least, and no more than once a week, and allow the courts to take their own attendance.

Thankyou for allowing us to give our conscience,

(P.S. \$75⁰⁰ for QSC donation.)

For now it seems as if we will
not be having to find a new meeting

Our group inventory on 7/13/
was ~~an~~ a great experience for the
seven core members that attended.
We seemed to find many assets
about our group and we also
discovered several liabilities that
we will be taking to our monthly

suggestions on solutions for them.

The main problem that we found
was that we may still be having
too many meetings on our schedule
due to the fact that we don't seem

atmosphere of recovery was present in all meetings
and attendance is stable.

We took in 102.00, paid 40\$ rent
and will spend 62.9 on lit. We have no
donation for the ASC.

We said yes to Cash. for ACM, Yes
to Tony G. and Fuck Tony M. But
we said yes anyway.

Todd S. from the Anonymous Group will
be speaking on the 26th of this month
at the G.O.D. group unless he gets called
out of town. We will be looking for a
back up speaker just in case. That's about
all I have.

In loving service

John B.
