RECOGNITION OF NEW GROUPS: No new groups

OPEN FORUM: Question “What is the ‘criteria’ for ASC to help groups when help is asked for by a group.” Feedback – no criteria however the GSR’s make the decisions at the ASC. It is always up to them how the donations get spent. There was some discussion about fundraisers. Some of the groups expressed appreciation that some light has been shed about the practice of fundraising in NA. Also facility where we meets requested we put donation on the bottom of the check instead of room rent- to help their fund flow.

Hello. ASC

Its a good day to be here and be of service. We had an exciting month in outreach, we did the outreach workshop at region and 4 members were present. It went as good as could be expected and region has decided to form regional outreach. We elected @ nicole W. as vice chair today. And since my term is up next month I am willing to stay an extra six months to help her and work with her if thats ok with the ASC. In the next month we will be doing a group inventory at active change Nov. 23. Thats all I have for now. Any questions, suggestions or requests are welcome now.

In loving service
John B.

P.S. I got all lit printed we need and I cwe the are 70¢

Hello Everyone!

I'm Kyndi and I'm an addict.

After last area I located our last goals list for contacting outside agencies for presentations. However, I do not have a completed list. Mike E. our former PI Chair is working on getting that to us. In the mean time we should discuss a starting point.

This Month the Phone Line received 34 calls for a total of 117 minutes.

Something went wrong somewhere in the transition of numbers. I would say it was an operator error on my part. Also, on the call log there are entries that state a voicemail. I cannot access these voicemail on the phone.com page and I never received an email or text for them. Also, there is no record showing that they have been paid. The stement is for 28.25 and I have spoken with our Treasurer, and he has no record of this either. So, I will be contacting phone.com to get this problem solved.

On the professionals line I received 2 calls this month. One was a student looking for an open meeting for research. I referred her to our website and explained the key as to which meetings are open. I also encouraged her to read through some of the information on the website. Another call was from a doctors office wanting information on how to refer patients who were showing signs of our disease. I also told her where to go to print off meeting schedules for her clients and explained that they are updated monthly.

We have upcoming Flyer days!!! For the Gadsden groups we will be meeting at Gift of Desperation located at 1885 Rainbow Drive, Gadsden, Al on November 15th @ 10am. Active Change will be having their flyer day on December 6th at 11 am, and they can be found at 1571 McCurdy Ave N, Rainsville, AL in the Agri Business Center. I hope to see everyone there.

In loving service,
Kyndi W.

Chrissy E printed 50 meeting schedules for a total of 9.81 that is to be added to the webmaster's check. Also, it is her last month as meeting schedule coordinator.

Christy C. Was elected PI Vice-Chair.

Sherry T. elected Mtg. Schedule Coordinator

Active Change GSR Report November 9, 2014

I'm Christy and I'm an addict,

We began our group conscious by studying the 7th concept and discussing it. Our meeting format continues to create an atmosphere of recovery that we all need to feel safe so that we can share openly and honestly. We had someone using their cell phone during our speaker meeting and discussed putting something in our format but decided against it and will continue to just speak to the person in a loving and caring way after the meeting and ask them not to do that during the meeting. Our meeting attendance has stayed steady with an average of 14.5 addicts a week. We still have good relations with the community and our meeting facility. We will be having our group inventory on November 23rd beginning at 7:00pm facilitated by the Outreach subcommittee. Any addict is welcome to attend. We will also be celebrating our 4th anniversary on November 30th starting at 6pm. Kalob R. from Scottsboro will be speaking and we'll have food that we'll eat before and after the recovery meeting. We collected a total \$96.00 in 7th tradition donations and we paid \$50.00 for rent and paid \$15.50 for lit so we have \$30.50 to donate to the ASC leaving Active Change with a zero balance.

Thank you for allowing Active Change to serve our ASC it is a privilege and an honor.

**In loving service,
Christy C.**

Hello ASC

Its a good day to be clean.
In the last month we have had
some really good meetings. The atmosphere
of recovery is present. Our business meeting
was pretty short, we were short on
rent so we passed the hat to
break even. We have one hangpouf
member that we havent seen at
the meeting, so we've decided to reach
out to them to make sure they are
OK, and see if theres anything we
can do to help. That is all I have.

In Loving Service

Hello, my nicemes Nicole and Jim
an addict! At Breaking Free's
business meeting we had 214⁰⁰ in
7th Tradition donations which left
us with our EB of 327.59. After
paying 150⁰⁰ in rent we have an
area donation of 150⁰⁰. We have no
celebrations this month but on Nov.
30th after our recovery meeting we will
be getting together as a group to provide
some input on the Tradition Book for
the 5th Tradition. We would love to see
you there if you want to be a part of.
We also discussed whether we as
a group should start making an
area donation as well as a Regional
donation. Group consensus was
that our group should support
the Area and our Area should
support our region. As always,
thank you very much for allowing
me to serve, Nicole W.

Open Forum: When is it appropriate
for the FBC to help a struggling
group? What's the criteria?

November 9, 2014

I'm Christy and I am an addict. The website has been updated according to the changes submitted by the groups and our ASC last month. The meeting schedule coordinator received an email from the HIP group to remove their meetings off the schedules so the area website and the regional website have been updated. During the month of October we have had 271 hits on the home page, 32 hits on the area events page, 12 hits on the for our members page, 25 hits on the information for the public page, and 208 hits on the meeting schedules page.

Thank you for allowing me to be your webmaster.
