## Public Information Chairperson Report

January 8, 2017

Hello Family,

Not much to report on this month for PI, including the fact that I still have not contacted the CRO's in St. Clair and Jackson counties, as I was directed to by the ASC. I promise to work on it to conclusion, whatever the outcome may be, and will have that information by the next ASC. I appreciate your patience and tolerance with me regarding this matter.

**PROJECTS:** we do have one upcoming project on 1/21/17 which is a flyer day for the Breaking the Chains group in Pell City. I would like to move that time to 12pm instead of 11am giving us time to have everybody available that is going to help out. I encourage everybody to come and participate **PLEASE!!!!**

**PHONE LINE:** the phone line took a total of 26 calls for a total of 105 minutes. The bill will be \$28.47. Two of those calls went to voicemail and I returned those calls. One was somebody looking for a meeting in East Alabama, and the other was a woman looking for a meeting for her grandson. Both calls were handled following PI guidelines, and the 12 traditions. This month we will have Joy B and Tim S changes into the primary spots, and will need a male and female for secondary.

I'm Christy and I am an addict.

Thru the month of December we had a total of 280 visits to the area website, 172 of those were new visits and 108 were return visits. There were 114 of those visits referred to us by outside agencies as well as naws.org. A few of the others included nachattanooga.com, theagapecenter.com, and usrecovery.info. The remaining hits were either from a search engine or clicked thru a bookmarked link. I've included a complete stats report for the minutes.

I received one email thru the website from a lady in Greenville, Ill. She had stated that she's been working with some ladies who are incarcerated in Greenville, Ill. to be release soon and returning to Florence, Al. She wanted to get her connected with someone in NA from that area. I emailed her back with some information for that area.

Thank you for allowing me to be your webmaster.

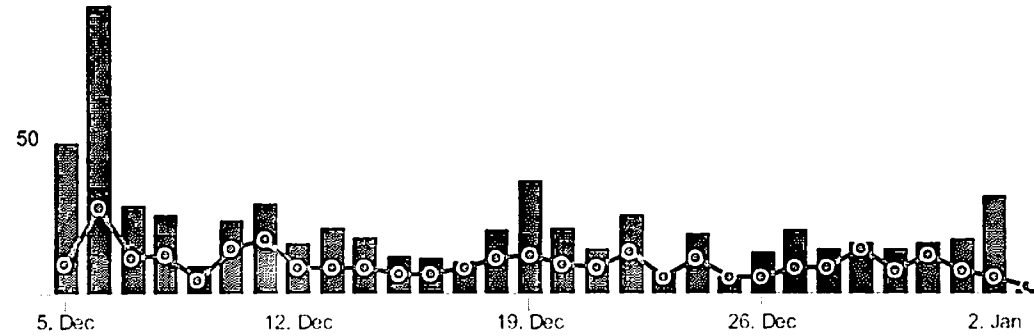

Christy E.

P.S. I received this quarter's Reaching Out from naws and passed those along to the H&I chain.

Hello family I'm Mandy and I'm on addict. I have a lot to report this month and I will try to keep it as organized as possible.

1) Thank you to all of that have helped and guided me in the right direction in this service position, you are all greatly appreciated and I could not do this position without all of you.

2) We have some new positions filled today including Inspire panel leader, who's former panel leader's term is up. Joy B will be fulfilling two positions. Vice Chair is Norm. We have a panel leader position open for Mountain View, and our new VC Norm will be coordinating meetings for that facility in the panel leader's absence. Our secretary ~~position~~ has been absent and we will contact her to ~~find out her~~ about her position.

Cedar Lodge, St Clair, and Inspire all report meetings are going well. Etowah Co has been reported meetings are going well since we have started back on Dec 16.

The panel leader ~~for~~ for Etowah has been absent due to extraordinary circumstances.

No one knows the status on Mt View meetings. It has been suggested to

me to contact the facility tomorrow, and if we are still welcome at the facility, start ~~con~~ carrying meetings back Next Monday.

An H3I workshop has been ~~scheduled~~  
requested by CTC and scheduled  
for Feb 25 2017 starting at 12 noon.  
Anyone interested in H3I service

Outreach  
1/8/17

Hello, my names Nicole & I'm an addict. First mo, Outreach had a Traditions Learning Day @ CTC that did not take place due to roads in that area being closed bc of weather. We hope to reschedule this event w/ CTC members asap. Also, we had an Area Carpool to SNB who is new to our Area. There 4 groups were represented & participation was good. We had a complaint from group members. Today, in our Subcommittee meeting Outreach members addressed the complaint. Nicole w read "What Outreach is not." Joyce B read from our handbook & Nick w read some from the 1st Tradition. We are asking all GSPs to remind members in their business meetings to remember on Area Carpools our intent is to offer support and to be welcoming to the group we are visiting. We are there in the spirit of Unity not to judge how they conduct

their meetings. We also offered Group visitation SOS by Outreach members. Also, when attending carpools please arrive 30 minutes early so we can go over all of this prior to going into the meeting. This month, SOS will have their Group Inv on 2/5 @ 11am. We will have an Area Carpool to Section Serenity on 1/25. Meeting starts at 7pm. Also, please announce at your groups that Section Serenity needs support. The meetings are Tues & Thurs @ 12:30 & Wednesday @ 7pm.

Thank you for allowing me to serve.

When a group comes to the ASC requesting to join the ASC and be on the meeting schedule, the Area Chair should explain what determines if they are in fact an NA Group according the six points on page two of The Group Booklet. The Area Chair should read the 2<sup>nd</sup> paragraph on page 56 of The Guide To Local Services, the six points on page 2 of The Group Booklet, the last paragraph on page 153 out of the How & Why and the 2<sup>nd</sup> paragraph on page 154 out of the How & Why. The Area chair will then ask a series of questions, we don't expect the GSR to be able to answer the questions so we allow the GSR to take the questions back to the group so the members can answer and decide for themselves. If the GSR can answer the questions he/she will be allowed to answer at that time. In the event there's any question as to whether a group meets the six points then it will be the responsibility of the Area Chair/V Chair, two GSR's/GSR-A and two Admin members to visit that group to help make the determination. The Area Chair/V Chair will give a report at the next ASC. If it's determined a group doesn't meet the six points the ASC will refer the group to the Outreach Sub-Committee in an effort to help the group meet the six points if the group so desires.

At one time or another, most area committees have asked themselves whether a particular meeting should be included on that list. The six points describing an NA group appearing at the beginning of the “NA Group” chapter in this guide have given most area committees the criteria they’ve needed in making such decisions.

In the spirit of autonomy, many groups hold meetings that appeal to members with similar needs. The freedom from judgment expressed in the Third Tradition is aimed at helping any addict, anywhere, feel comfortable in NA. No matter how a group structures its meetings, all NA groups are encouraged to keep the focus of their meetings on recovery from the disease of addiction. As long as a group observes the Twelve Traditions and espouses the Twelve Steps of NA in its meetings, it may consider them Narcotics Anonymous meetings.

Since most groups are not directly connected with each other, we might think that whatever happens in our meetings has no effect on anyone else. When we consider who is affected by our group, we have to look at other groups, the addict yet to come, the newcomer, and the neighborhood in which we hold our meetings. We have an effect on other groups or NA as a whole if we’re not recognizable as an NA meeting. It helps to remember what we needed to hear when we were new: hope for recovery from drug addiction. Addicts first coming to NA often look closely for differences, hoping that somehow they won’t fit in. It’s not difficult to alienate an addict. It’s important to think about the message we send to newcomers in our meetings. Thoughtful consideration of our primary purpose may help ensure that meetings will be available for those addicts yet to come.

*(pages 153 and <sup>154</sup>~~153~~, It Works How & Why)*

How many members does the group have? Are all members drug addicts?

Does the group understand membership is not automatic?

Does the group take outside contributions from outside entities, from the facility you meet in, from non-members?

What is the groups definition of self-supporting?

What does the atmosphere of recovery mean to the group?

How does your group focus on carrying the message? What is that message?

Does the group use any outside literature, language or announce non NA related events?

What is the difference in cooperation and affiliation?

What is an outside issue? How does the group respond to outside issues?

What is the difference in attraction and promotion?

Why did you start an NA group?

Hello, my name is Nicole and I'm an addict. We began our group conscience studying the 11th concept. We believe our group is effective in carrying the AA's message and newcomers are made to feel welcome. No solutions for problems at recent meetings need to be sought & our format is providing sufficient direction. ~~But~~ We have decided to begin having a Tradition Study @ Cheap Person's Choice. Attendance is steady at 16 people per meeting, and there are good relations between the group & the public. We had 112.46 in 7th Tradition donations. After paying 50.00 in rent & reimbursing our Alt Char 13.71, we have an Area donation of 48.75. The only service vacancies we have are Alt & Alt Lit. GSR is myself. Nick was Alt GSR. Secretary is Christy C. Treasurer is Mike E. We did make some changes to our Group Conscience archipel. We actually added our Alt Six positions & their clean time requirement. We assent to Sherry T. Don U will speak @ the end of the moon the 29th →

Open Forum: Ask for E, S & H on ppl's names being added to b'day board when they no longer attend meetings.

Freedom group is doing well at this time, we are effectively carrying the message and new comers are being made to feel welcome.

We are asking for E, S & H on the issue of people's names being added to our birthday board who no longer attend meetings. Our format is providing sufficient direction and attendance is growing. We have good relations w/ both the facility and our community. We feel our funds are being used to further our primary purpose. We started w/a BB of .22, 7<sup>th</sup> Trad. contributions were enough to cover expenses, purchase 143.<sup>00</sup> worth of lit and pass on 100.<sup>00</sup> to ASC.

## GSR Report

### January 8, 2017

To the Area Service Committee:

We've had several rough months at SOS. It is with great sadness that I inform the ASC that David W., GSR, has relapsed. Please pray for him and his return to recovery. As Alternate GSR, I broke my leg in October and was healing great until this past Thursday. I fell, reinjuring my leg, so now I'm laid up again unable to get out of the house. Prayers would be appreciated.

Our group business meeting scheduled for 4:00pm on Jan 1st was rescheduled to Jan 7th at 6:00pm due to lack of participation. This meeting was also cancelled due to not having a facilitator. Hopefully by February, we will be back on track.

We continue to have meetings every night at 7pm. Tuesday is our Basic Text book study, our How & Why book study is on Thursday and we have candlelight meetings on Wednesday. All other meetings are open discussion.

SOS continues to struggle financially, but I don't have a treasurer's report. Therefore, we won't make a donation to Area this month.

I look forward to working with the ASC this year as GSR for Shot of Serenity.

ILS,

Betsy U./GSR for Shot of Serenity (S.O.S.)

P.S. Please have the Secretary update our info on the roll call list.
