**NORTHEAST ALABAMA AREA OF NA
POLICY CHAIR REPORT
JULY 8, 2018**

Hello family,

I'm Betsy and I'm an addict. It's a wonderful day to be clean.

We're getting closer to having a completed Area Policy. I've made all the approved changes to the Policy, along with the minor changes that were outlined in the revised copy. I would like the GSRs to look over the changes I made to the RCM section. As per G.O.D's request, the per mileage reimbursement has been removed and the actual fuel used put in its place. I also made some adjustments to the paragraphs and separated some of the sentences that were extremely long. I have a copy of the old and new RCM section for review.

I've also added the Web Site information at the end of the document. This is probably not where it needs to go, but I wasn't sure. I also need to add Webmaster report to the Agenda but was unsure where it falls because it's normally given during the PI report. These items need to be finalized before I send the final copy to the Webmaster for admission to the website.

I would like to make a proposal that we remove the references to the Concepts after each Trusted Servant position. I made a separate file of the Policy without these references and it shortened the Policy by three pages. That may not sound like much, but when you're printing copies for all the GSRs, Administration committee and Sub-committee Chairs, it can really add up. The Twelve Concepts are listed at the beginning of the Policy and I believe it is a waste of space and ink to have them reprinted after each position. So, the intent would be to minimize the cost of printing the Area Policy; therefore, saving the Area money. In short, managing NA funds responsibly (Concept 11).

Thank you for allowing me to be of service.

ILS,

Betsy U./NEAANA Policy Chair

PROPOSAL FORM

Proposal #: _____

Date: 7/8/18

Made by: Policy Chair

Proposal:

To remove the references to the Concepts after each Trusted Servant position. Without these references the Policy is three pages shorter.

Intent:

To minimize the cost of printing the Area Policy; therefore, saving the Area money. In short, managing NA funds responsibly. (Concept #11)

Discussion:

The Twelve Concepts are listed at the beginning of the Policy.

Final Proposal:

NEW

ALTERNATE TREASURER:

The Alternate Treasurer performs all duties and has some responsibilities of the Treasurer in his/her absence, or whenever needed. The Alternate Treasurer is elected by groups. The Alternate Treasurer is a cosigner on all NEAASC bank accounts. It is very important for the Treasurer and Alternate Treasurer to work closely together and share responsibilities.

Minimum of 2 years clean time requirement

REGIONAL COMMITTEE MEMBER (RCM):

RCMs keep their areas in touch with the larger world of NA by providing information on activities in neighboring areas, functions being sponsored by the regional committee, reports relevant to subcommittee affairs, and important issues being discussed at various levels of service. The RCM must have knowledge of NA service practices and principles and should be closely acquainted with the Twelve Traditions and Twelve Concepts, as well as, the fundamentals of service in our fellowship. RCMs should carefully study the reports from their areas' groups, officers and subcommittee chairs, so they can pass their areas' experience on to others at the Regional meeting. The RCM is expected to attend all Area Subcommittee/Workgroup meetings and Area Service Committee (ASC) meetings; and present a written report at the ASC, when applicable. They are also expected to attend all Regional Subcommittee/Workgroup meetings, Regional Assemblies and Regional Service Committee (RSC) meetings. It is suggested that RCMs serve two-year terms. It is very important for the RCM and Alternate RCM (RCMA) to work closely together and share responsibilities.

If the RCM/RCMA lives less than 100 miles from the Regional Assembly or RSC meeting site they may only request reimbursement for actual fuel used. Fuel receipt should be submitted with a budget proposal at the next ASC. Prior to the Regional Assembly or RSC, the RCM should submit a budget proposal for lodging and travel expenses. The RCM and RCMA shall be funded 50% each of room rate for overnight lodging, if travel exceeds 100 miles one way and actual fuel used. The RCM and RCMA shall be funded 50% each of room rate for 2 nights of lodging, if travel exceeds 200 miles one way and actual fuel used. Note: The ASC will only reimburse the negotiated amount for lodging that was agreed on between the hotel and hosting area.

In the situation that RCMA is vacant or the RCM or RCMA will not be attending RSC that month, the RCM/RCMA will be funded 100% of room rate for overnight lodging, if travel exceeds 100 miles one way; and will be funded 100% of room rate for 2 nights of lodging, if travel exceeds 200 miles one way. All room receipts and fuel receipts are required to be submitted at the following ASC. No reimbursement for food expenses will be allowed for Regional Assembly and/or RSC attendance.

Minimum 3 years clean time requirement

ALTERNATE REGIONAL COMMITTEE MEMBER (RCMA):

OLD

The RCM must have knowledge of NA service practices and principles, and should be closely acquainted with the Twelve Traditions and Twelve Concepts as well as the fundamental of service in our fellowship. RCMs should carefully study the reports from their own areas' groups, officers and subcommittee chairs so that they can pass their areas' experience on to others at the regional meeting. The RCM is expected to attend all regional and Area Subcommittee/Workgroup meetings, Regional Assemblies, RSCs and ASCs and present a written report at the ASC when applicable. It is suggested that Regional Committee Members serve two year terms. It is very important for the RCM and Alternate RCM to work closely together, and share responsibilities. PI Report

7/8/2018

Hello NEAANA,

I'm an addict named Mike, there's not a lot to report this month. The phoneline took in 8 calls for a total of 24 minutes. Jim L called me around the middle of the month and ask if it was possible to make the phoneline calls so that the phoneline number would show up on the caller ID, I changed it and then notified those on the phoneline, at that time Christy indicated this had came up before and some members didn't want it that way, but all four people on the phoneline was okay with leaving it as is for now. I apologize for jumping the gun and not bringing it before the PI Sub-Committee before I made the change. This can be discussed today, I'm not sure but I think it's even possible set the caller ID individually. There were no request for PI. This is my last report and I'm no longer V Chair for PI, Charity now meets the requirements to serve as V Chair and I'm confident she will do a fine job. I'm available to help with any upcoming PI events or assist when needed. Thank you for allowing me to serve.

My name is David and I am an addict.

Thru the month of June we had a total of 318 visits to the area website, 247 of those were new visits and 71 were return visits. I've included a complete stats report for the minutes.

We had two scheduled meeting outline changes. I uploaded a flier and created an event for one group. Ordered the meeting schedules to be picked up. And I added a prea training for Etowah County Jail for July 12th to the events calendar.

Outreach Subcommittee

This is a budget proposal
for the reimbursement
of 14.99 spent to

envelopes for GSR packets.

Purpose: To carry the
message to the
addict who wishes
to serve.

Outreach

Outreach subcommittee meeting opened w/a moment of silence and the WE version of the Serenity Prayer. Norm read Traditions, Charity the Concepts and Chrissy read the purpose and function of Outreach subcommittee. No recognition of new groups at this time. In open forum Freedom group is interested in a Traditions Learning day, GSR to contact facility and come back next month w/ three dates. Carpool to Keep Coming Back group in Olathe was a big hit. We had 13 addicts from 4 different groups. The KCB group welcomed us w/ love and acceptance. Our new carpool date is set for Aug 5th to the Active Change group, be there by 6:30 please. Also I am in the process of putting together the GSR packets we agreed to keep on hand. However does the ASC wish for me to print the 5 copies of policy from the website or to have policy chain to print those along w/ the copies printed for GSRs? As always, it's both an honor and a privilege to be of service.

Also I have a receipt for printing guidelines for packets and am asking for reimbursement.

The North Area has asked for an Area Inventory. The VC & myself will facilitate that Inventory on Oct. 20th @ 11A

In loving service,
Stephanie L.

GSR Report for the Active Change Group

7/8/2018

Hello NEAANA,

I'm an addict named Mike, it's a good day to be clean in Narcotics Anonymous. We held our last group conscience on July 1st, we started by studying the 5th Concept. We fell we are effective in carrying the NA message, newcomers and visitors are being welcomed at Active Change. We had an issue come up but due to a couple of members not being able to attend the group conscience we tabled until all our members can participate in the discussion. We believe the meeting format is providing sufficient direction. Our average attendance was down a little from previous months to 11 per meeting. We have good relations with the facility we meet in and good relations with the community. We are using our funds wisely, we took in \$81.60 in 7th Tradition donations, we paid \$20 for rent and sending the remaining \$61.60 on down to the ASC. We have an adequate supply of literature and supplies. Cheryl M is now our alternate treasure. We assented to Dave H becoming webmaster and were fine with the new contract. We assented to adding the Webmaster duties to policy. We assented to Eric W as Area Secretary. This is my last month as GSR, it's been an honor and privilege to serve and I'm grateful I was given the opportunity. John C will be the GSR for Active Change.

In loving service,

Mike E

We continue to ask for support for our WED. noon meeting. Attendance for that mtg is usually 22 to 26 ppl, of which only 4-5 attending are experienced & actively working an NA program. We've had a large influx of newcomers, so we have placed a LARGE order for Lit. & key tags.

We will donate \$ 6 to NEAANA this month.

Average Attendance was approximately 25 per meeting.

Topics for the month have been Recovery Related from NA approved literature.

New Business:

There was some damage reported to the church's basketball goal by a visitor attending our meeting. We contacted the church & we are awaiting an answer from them on how we can resolve this. We scheduled a clean-up day 7/16. We are considering changing our business meeting to another day & time - TBD until next month.

My name is Jason and i'm an addict
We held our group conscience on July 6.
We determined that we are effective
at carrying the message. Newcomers and
visitors are being made welcome. The only
problem we've seen in the last month
is a little cross talk. Our format is
providing sufficient direction. We are
going to add the word NA to our recovery
related sentence to avoid confusion when
the halfway houses attend our meeting.
Our attendance is steady with an average
of 10 per meeting. We started our month
with a balance of \$ dollars. Our 7th tradition
brought \$120.⁰⁰ dollars. We paid room
rent of \$40.⁰⁰ and are sending \$80.⁰⁰ to Aaa.
Our only service vacancy is Treasurer.

In loving service.
Jason K.

We are in good relations
with the place we meet in and
the community we meet in.

JULY 2018 NEAANA RCM REPORT

Hey family! Chris, addict.

Hope y'all are well enjoying another day clean. Our next RSC in Dothan on July 28 & 29, 2018 at **Holiday Inn Express & Dothan North 4090 Ross Clark Circle Dothan, AL 36303. Call 334-699-6868 Room Rates:\$99.00 per night**

All RSC positions are now filled by the previous trusted servants for nomination for the next two years except Regional Outreach Chair, & H&I Chair,

Our regional funds will now be available to transfer to World Service now that the FIPT inspection has concluded. The RSC Treasurer report gave the following information:

Beginning balance was	\$6,711.20	
1/22/18	2 Deposits	300.00
1/17/18	4 Checks	<u>1,005.58</u>
	Ending Balance	\$6,005.62
Treasurer collected monies at the meeting totaling		<u>\$1,290.00</u>
	Current Balance	\$7,295.62

An Ad Hoc Committee was formed to assess and formulate a plan to incorporate our RSC for tax & insurance purposes. The regional proposal to fund Central Alabama Area, \$1,000 for their area convention due to its loss of funds this past year did not pass. I carried our areas BLOCK of Surrender in The Mountains request for increasing Seed funds. The block was sent back to us for clarification. The alternative we offered of fundraisers prior to Surrender is invalid because Surrender Policy does not allow for fundraisers or raffles to fund it. The block was ruled invalid unless we can give other reasons for the block. This block was referred to areas for vote to assure they agree the block is invalid. The following is copy of the minutes from new business.

Proposal # 1

Made by: Alt. Treasurer

All advance request receipts must be turned in at the next RSC.

Intent: For accountability
