Written by Public Information Subcommittee **ASSENT**

“To port our current NEAANA phone line number into the TWILIO phone line account created by Regional Services. This will be of NO COST to NEAANA.

Intent: By porting our phone line number into the Twilio phone line account, we can do away with our own phone.com account, hence saving ASC approximately \$33/month. This will continue to carry the message to the addict who still suffers.

Rationale: By eliminating our NEAANA phone line, we can save ~\$396/year ASC funds. Also, it will put a stop to duplication of services.”

RCM REPORT

Hey family,

Chris, addict, hope everyone is enjoying another ASC & day clean. Our next ASC won't be until June due to Mothers' Day in May.

These are how we voted for Regional Proposals. If our area will be having any new Regional Proposals, I hope you brought them today so we can have them ready to vote on in June to carry to next RSC. My term as RCM ends in August. If anyone is willing to be the next RCM or RCMA please bring their nominations soon.

This is how our Area voted on Regional Proposals. If I have them wrong, please let me know so I can amend them. I was unable to read our last minutes due to poor download.

1. Proposal #1: To Incorporation RSC

This was Old Business from the September RSC and tabled until recommendations could be obtained and presented at this RSC.

Recommendation: Based on the consultation with the accountant, Admin does not recommend the proposal because it is projected that it would result in moving the Region into a higher tax bracket due to our revenue exceeding \$50,000 limit under the current tax bracket.

Vote: Our Area **Affirmed**

NEW BUSINESS

3. Proposal #3- Made by BCANA: To allow Admin and RCMs to participate in having a voice and a vote via Zoom or remote participation in RSCs in circumstances where the individuals are unable to attend; this is a precedent set at the WSC 2018.

Intent: To allow full participation in RSC by members who are physically unable to attend for unforeseen reasons.

Final Proposal: Policy referred back to areas for discussion.

Vote: Our Area **Blocked on Concept 8, 2, 3, & 5.**

4. Proposal #5 – Made by FITS Committee: To have the FITS Closing Meeting on Sunday and put this change into the qualification for each Sub-Committee Chair.

Intent: To make sure all convention matters or handled prior to leaving Panama City Beach.

Discussion: Policy recommends adding this to the FITS policy.

Vote: Our Area **Affirmed**

The next RSC will be June 22-23, 2019 in Decatur, Alabama at The Double Tree Holiday Inn NEAANA will bring back a Proposal the RD return the \$500 given to him at last RSC for western area of Alabama fellowship development/PR due to areas not voting for this or requesting it be

April 14, 2019,

done. Further requesting all receipts of current expenditures. Also will need areas conscious on the YAP Phonenumber for Region and/or our Area.

I will need funds for lodging and gas to our next RSC. I think I can stay with Regional PI Chair again. I have not asked him yet. Will know my plans by June ASC. Will also need the funds that we have not sent to Region yet placed in their account.

Outreach

Hello ASC family, I'm Steph addict. Our April Outreach subcommittee meeting opened w/a M.O.S and the serenity prayer. Shannon read trad, John the concepts and Stephanie the purpose and function. There were no new groups at this time. In open forum Patrick (NB) asked for chairperson workshop as well as an HI workshop. Those available and willing will discuss the possibility of combining those workshops. NB is to come back to June ASC w/dates 45-60 days from today. Also, Stephanie d. brought up the lack of willingness from the area, as well as, her not being able to fulfill her commitments. Therefore this subcommittee is cancelling monthly carpool until there is more support from the area. However, if a group shows up to the subcommittee asking for support from Outreach, a carpool will then be scheduled. But no more than 2 per yr to the same group. Stephanie d also reminded everyone that her term (2nd) is up in July. And although we do have willingness from another addict, we as an area, really need to prioritize the importance of admin. positions open as well as those being "covered" due to health issues. We had no nominations this month. Dodd read the minutes from last month and thankfully Outreach services were completed. There were 6 addicts present from 4 groups for carpool to BTC group this month and

I apologize for my absence today.

We held our group conscience on April 5, 2019, and started with a discussion on Tradition one from How & Why.

We feel we have been effective in conveying the 1st message and our newcomers are being made to feel welcome. Our format is providing sufficient direction, and there have been no problems at recent meetings. We have, however, discussed how we can better handle our 7th tradition envelopes. Our attendance is steady with an average of 20, and our relationship with our facilitator and the community are good. We want to thank Outreach, Ed, Mike, Chrissy and everyone who helped out with Group Booklet Evening Day. It was very helpful and gave us a lot to think about. I feel it will help our group grow in many ways.

We feel our groups funds are being used wisely.

Our beginning balance was \$190⁰⁰

7th tradition & Lit \$184.55⁰⁰

Rent \$100⁰⁰

Bank fees \$11⁰⁰

Lit & Supplies \$1225⁰⁰

We had a reimbursement cost of \$70⁰⁰ to Mandy B.

We are making an area donation of \$30⁰⁰
