

Hello family, here are the minutes. The ASC met in Rainbow City. Due to the fact that there is only one sub-committee with a chair, the length and time of the ASC meeting were reduced significantly. Also, Nick and I stayed until after 3pm in case anybody was going to show up.

Meeting opened at 1:30 with a MOS and the Serenity Prayer.

Traditions, concepts, area purpose, and service prayer were all read. (unable to remember who read what)

Roll Call

Also Scottsboro New Beginning is requesting a H&I workshop and is going to come back with 3 dates next month.

September 13, 2020

Good afternoon ASC,

There have been a few website submissions looking for meetings or requesting a meeting be updated or removed since Covid hit. I printed each one to pdf and have included them in my report.

The site has been averaging about 135 new visits a month over the last 6 months. There's not been a whole lot of requests from the groups but what has been submitted has been posted to the website. I have been updating all plugins with the latest security patches and updates as well.

Please let me know if you have any requests from me. Thank you for allowing me to be your webmaster.

Sincerely,

Christy L.

Hello family, I'm an addict named Rickey

Sorry I can't be there today due to sickness in my family.

We had an ad-hoc mtg concerning an alternate plan for meeting in the event that we are not able to meet in the future. We had 7 members of NA who attended and 4 groups were represented online on zoom platform meeting id # 830 1417 0294 password is adhock. This id# and password should stay the same for future use. Rusty B. from Northeast AL area attended this meeting to answer questions concerning pros and cons and to share some of his areas experience with using online mtg platform to conduct area business. The most common concern seemed to be how we as individual groups would get donations to the area treasurer and the only other con was that the fellowship that we have in person would be missed.

Some Pros to meeting online included travel time, time spent getting business completed to which Rusty B commented that about

After some discussion we determined that each group would be able to figure out what will work best for themselves as far as getting donations to area treasure. We also discussed the fact that there are some GSR's that are still not quiet comfortable with attending asc in person and if the area would be opposed to a hybrid mtg - (allowing for any GSR who isn't comfortable attending in person to attend virtually.)

We determined that the Vision of Hope groups proposal needs to be amended to include adding policy a contingency plan in the case of not being able to meet in person.

Thanks for allowing me to serve as Ad-hock chair, please keep our family especially my Dad and fellow member of NA Robert D. in mind.

The next ad-hoc meeting will be scheduled for Sunday Sept, 19th @5pm

In loving service Rickey D.
