November 8, 2020

My name is Christy and I am an addict.

I updated the area announcements, all plugins, and posted the area minutes from October and updated the announcements as requested via email and reports.

We haven't received any submissions thru the area website just some requests from members to update their meeting info.

I had a request for the php to be updated on the region website so that he could run a plugin on their area website. That has broken some database connections on NEAANA which I'm working on getting repaired now.

I wasn't here last month so I will be requesting payment for 2 months today.

Regards,

Christy L.
