Webmaster Report 5/9/21

- Website Stat Counter re-activated
 - I will give the last 30 days report at the committee meeting 1 time per month
 - 30/31 day stat will run from Meeting to Meeting ie. 5/9/21 thru 6/6/21
- I updated a few meeting times with the region's system.
 - I need to review the update process. It seems like the meeting update system only works on a weekly basis. For example, I can't set a meeting for a specific date, 5/9. I can only set the date as Sunday, which would make the meeting run every Sunday (once a week). Not just on 5/9.
- I fixed the website's Meeting update form
 - Update form needs work. There are no options for fine details, such as if the meeting is open or closed. ~~There are no options for fine details, such as if the meeting is open or closed.~~
- Uploaded 4/21 Minutes from Jerri

Other notes:

- A lot of visible junk and code on the front-end of the website needs to be fixed. I will work on this as I go.
- I will be out of town next month and will not attend the 6/6 committee meeting.

• Am I getting paid in advance, or for services rendered? → 1 month advance, Frankie paid. 5/9
